March 2009

Book Fair:

March 18-24,
8am—3pm
Open Late on
Thursday, March
19 from 6-8 pm.

Lights! Camera! BOOK FAIR!

Get yourself ready to walk down the red carpet and become a reading celebrity because reading makes you a star! The spring book fair will begin on Wed. March 18th and be open weekdays through March 24th. We're looking forward to seeing the new books available for purchase. Be looking for the book fair flyer...coming home soon.

Audio Books are for Everyone!

The Woodlands Library has over 100 audio books available for checkout. Our audio book collection includes everybody stories, fiction titles, and even a few folktales. Nearly all of our audio books come in a set with the recorded book (either on cassette or CD) and a copy of the book. These are available for checkout and anyone may check them out (even Moms, Dads, or grandparents).

Audio books are a great way for children to hear a fluent reader read; they're a great way for a family to enjoy the same book; and they can be listened to on a personal audio player, in the car, or on a boom box or stereo at home. Encourage your children to stop by and check out an audio book! *And, did you know that listening to an audio book counts for Reading Olympics minutes?*

Calling all Volunteers!

We always need volunteers in the Woodlands Library. Please consider signing up to help us for a one-time project or on an on-going basis. **Volunteers are needed for regular tasks like book processing, shelving, and checkout and during our annual book fair(s).**

Pick up a volunteer form in the school office or library. If you have questions about volunteering please phone or e-mail us.

Don't worry about training—we'll help you learn anything and everything you need to know to complete your task.
Thanks for considering our request!

Second Trimester Report Cards and Overdue Library Materials:

The end of the 2nd trimester was on March 10th. Student's report cards will be sent home in late March. **Students who have library materials that are damaged, missing, or lost will need to return the materials, pay for or replace the item(s) before the report card is sent home.** Thanks, in advance, for helping your child become personally responsible for his/her library materials.

As you know, I believe children can be personally responsible for replacing and/or paying for lost or damaged items. If you need some ideas regarding this, please let me know. In fact, my own 5-year-old daughter lost a library book at her school and had to pay for it from her own \$1/week allowance. It took 2 months for her to pay it off, but she will probably remember this lesson for quite awhile. I support you in holding your children accountable for their actions!
